

## Doggies walk the Red Carpet

I did it. Boca fashion designer JoJo Harder talked me into going to the dogs!

Creator of America's Top Dog Model Contest, JoJo invited me to join Lauren Halpern (publisher and editor of Paws

*Luxury Magazine*) in judging the final launch party for the big contest. The event, attended by more than 100 people, was co-hosted by Elizabeth Carrera, owner of Gigi & Luca's Pet Boutique in Lighthouse Point.

There were dogs of all sizes, shapes and ages.

Some showed up two and three at a time! They all walked the red carpet with style. First place went to Zoe, a King

Charles Spaniel, so adorable in a pink satin dress with pink bows on her floppy ears. Boo Bear, a darling Pomeranian in a Tommy Bahama luau shirt, captured our hearts for second place, while third prize went to Remington Steele, a Maltese, who modeled a navy and white toggle jacket, complete with white and navy shoes on all four paws!

The event was "paws"itively a "paw"sh affair, where everyone went home with a doggie bag following refreshments, which included a delicious cake in the shape of a giant dog bone.
