## Top Models Strut The N.Y. Runway

A cocker spaniel named Daphne, right, was crowned the Top Dog Model in the third annual contest founded by Jo Jo Hander, a fashion stylist and writer from Boca Raton, Fla.

The 2007 theme was "Travel with Style" and Daphne and another spaniel, left, a star pet barrett found from Poon Peterson, N.J., traveled to New York City to model fashions on the runway at the second annual Pet Fashion Week in August.

Daphne splits her time between Palm Beach, Fla., and New York with owners Jeremy Warren and Cynthia Warr. ●
