## Feeding

### Feeding South Florida's New Texting Campaign Makes Donating Easy

Texting tempting?? Feeding South Florida™ (formerly Daily Bread Food Bank) is making feeding the hungry as simple as sending a text message. With their new texting campaign, anyone can text the word "FEED" to 52000 to donate \$5 to this tres cool non-profit org. For every dollar donated, Feeding South Florida can distribute enough food for six life sustaining meals. Out of every donated dollar, 98.4 cents goes directly to feed the hungry.

Each month, money donated via the texting campaign will go to a different cause within Feeding South Florida. Donations texted in August will be put toward the purchase of back-to-school supplies for kids attending Title I schools. In Sept., donations help feed the hungry through the Feeding America™ Hunger Action Month programs. All donations will appear on/be charged through the donor's wireless bill. For more info call 954 518.1818 or visit [www.feedingsouthflorida.org](http://www.feedingsouthflorida.org).

### They've got the Write Stuff: Boca Pen Women Events

The Boca Raton branch of the National League of American Pen Women recently installed officers for its 2010-2012 term. Each new officer was presented with a long stemmed Red Rose—the official flower of the National League of American Pen Women.

Jean Holmes, a member of the Boca Raton Branch and the newly elected President of the National League, was the installing officer.

At the branch's recent annual Book Talk/Meet the Authors event, published authors, all members of the Boca Raton branch of the National League of American Pen Women (NLAPW), presented their recently published books. Held at the W. Boca Raton branch of the Palm Beach County Library, the authors were greeted by a neat capacity crowd of book lovers and writers.

The new fall season will begin with a Membership Tea in October. Subsequent programs will take place the third Thursday of each month at the Delray Beach Golf Club. Visit [www.bocapenwomen.org](http://www.bocapenwomen.org) for updates on program info as it becomes available.
