# TRICK OR TREAT!

Canines in costume

For posh poodles (from left) Penny, Rose, Mocha and Charlie, the real treat on Halloween is dressing up. "When they see me going to their closet, they get very excited," says their "mom," Wendy Foskey. Rose may have won America's Top Dog Model 2014, but the biggest diva in the Sharpsburg, Georgia, pack? Charlie! Says Wendy: "You should see him strut!"
