PARTY ANIMALS

New Year's Barkin' Eve! Model pooches (from left) Maya, Pumpkin, Romeo and Makaylah will ring in 2015 in style, thanks to *Diva Dogs* author Jo Jo Harder. "Romeo stole the show with his personality," Jo Jo tells *In Touch*. "They all had a fabulous time!"

FAMILY TIME

"Polar bears are among my favorite animals," says photographer David Swindler, who captured this pair lounging together on Alaska's Barrier Islands. "They exhibit so many human-like qualities, from their facial expressions to their familial interactions."

Just chillin'!
