DOG GROOMING – AMERICA'S TOP DOG MODEL®

We received a fabulous call from a customer this week – dog mom, Claire Spielman, called to tell us about the great success she had using Cowboy Magic® on her 3-year-old Yorkshire terrier, Peaches. And the proof is in the pictures – she looks gorgeous! Peaches knows a thing or two about looking her best – in 2014, she won the World Wide Terrier Photo Contest and in May of 2015, she was crowned as [America's Top Dog Model®](#)

Peaches isn't just a model though, part of the reason she won the title was for her dedicated service as a therapy dog. The America's Top Dog Model® theme this year was "Helping Paws" and Peaches emerged as a top pick due to her work as a therapy dog visiting children in homeless shelters and hospitals, as well as nursing home patients. Peaches is a graduate of the [Snare-A-Pet](#) program in Ft. Lauderdale, FL. They provide certification and insurance for therapy pet owners.
